Learning Objectives

1. To review the physiologic changes of the kidney in pregnancy.
2. To describe the clinical presentation and management of specific kidney diseases in pregnancy.
3. To discuss management of fertility and pregnancy issues on dialysis as well as in the posttransplant period.
4. To review the complications of AKI during pregnancy and the many aspects of pre-eclampsia.

Target Audience:
Physicians, scientists, advanced practitioners, nurses, pharmacists, and other health professionals working and training in the field of nephrology.

Accreditation Statement
In support of improving patient care, the American Society of Nephrology is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

AMA Credit Designation Statement – Physicians: The American Society of Nephrology designates this enduring material for a maximum of 10.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC Statement
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 10.00 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to Joint Accreditation for the purpose of granting ABIM MOC credit.

MOC points will be applied to only those ABIM candidates who have enrolled in the MOC program. It is your responsibility to complete the ABIM MOC enrollment process.

Original Release Date
February 2024

CME/MOC Termination Date
January 31, 2026 at 11:59 pm ET

Examination Available Online
On or before February 28, 2024

Estimated Time for Completion
10 hours

Self-Assessment Examination
- Answers with explanations are provided with a passing score after the first and/or second attempt.
- This issue will be archived on February 1, 2026, and answers with explanations will be posted on the ASN website.
Method of Participation

- Read the entire issue that is supplemented by original articles in the reference lists.
- Complete the online self-assessment examination.
- Each participant is allowed **two attempts** to pass the examination (75% correct) for CME and MOC.
- Upon completion, review your score and incorrect answers and print your certificate.

Activity Evaluation, CE, and MOC

1. Go to the **ASN eLEARNING CENTER** (education.asn-online.org)
2. Select **MY ACTIVITIES** from the left-hand navigation.
3. Select the corresponding issue.
4. Read all information on the Overview screen.
5. Follow the onscreen instructions to:
   a. Complete the Exam (*i.e.*, post test),
   b. Complete the Evaluation,
   c. Claim credit/MOC
      i. **IMPORTANT**: select the **credit type** that corresponds with your designation, and
   d. Print a Certificate

Your ASN Transcript is available on the **ASN website**

- Go to the ASN website and log in to your ASN Profile page: https://www.asn-online.org/myasn/profile.aspx
- Select the **CME/CE Transcript** tab
- View credits claimed or print a certificate with continuing education information for completed learning activities

System Requirements

Compatible Browser and Software

The nephSAP website (nephsap.org) is formatted for cross-browser functionality and should display correctly in all currently supported web browsers. Individual nephSAP articles are available as dynamic HTML or in Portable Document Format (PDF), which requires Adobe Reader or comparable PDF viewing software.

Monitor Settings

The nephSAP website was designed to be viewed in a $1024 \times 768$ or higher resolution.

Medium or Combination of Media Used

The media used include content provided online as dynamic HTML or downloadable PDF, in addition to an online evaluation and self-assessment examination.

Technical Support

If you have difficulty viewing any of the pages, please refer to the nephSAP technical support page for possible solutions. If you continue having problems, contact ASN at nephsap@asn-online.org.
ASN Disclosure Policy

It is the policy of American Society of Nephrology (ASN) that all individuals in a position to control the content of ASN’s educational activities are expected to disclose all their and their life spouse/partner’s financial relationships with “ineligible companies” within the prior 24 months as well as other non-financial interests. (“Ineligible companies” are those whose primary business is producing, marketing, selling, re-selling, or distributing health care products used by or on patients.) Participants should note that the use of products outside US Food and Drug Administration (FDA) approved labeling should be considered experimental and are advised to consult current prescribing information for approval indications.

The intent of this policy is not to prevent expert faculty with relevant relationship(s) with commercial interest(s) from involvement in educational activities, but rather to ensure that these activities promote quality and safety, are effective in improving medical practice, are based on valid content, and are independent of control from commercial interests and free of commercial bias. In addition, all faculty were instructed to provide balanced, scientifically rigorous, and evidence-based presentations.

ASN requires all individuals in a position to control content for this activity to complete disclosure forms on the ASN website. Responses are listed below. Disclosures have been reviewed and assessed by ASN. All relationships with ineligible companies have been identified and all relevant financial relationships have been mitigated.

EDITORS:
Alice M. Sheridan, MD—Employer(s): Brigham and Women’s Hospital; No relevant financial relationship(s) with ineligible companies to disclose.
Martina M. McGrath, MBChB, FASN—Employer(s): Brigham and Women’s Hospital; VA Boston Medical Center; No relevant financial relationship(s) with ineligible companies to disclose.
