

Purpose: For nephSAP authors including original artwork with their submission.

I grant the American Society of Nephrology nonexclusive rights to display, copy, publish, distribute, sell, translate and/or transmit digital reproductions of the specified figures in print and electronically worldwide and for all time.

The agreement does not hinder me from transferring rights to display, copy, publish, distribute, transmit, license or sell the figure(s) or adaptation(s) of the figure(s) to another person or entity.

I am the copyright holder or legal representative of such, and I have the legal right to grant this authorization with respect to the specified figures.

Figure/Image Information:

Volume		Issue	
Issue Title			
Article Title			
Figure/Image Description			

Name of Copyright Holder (type or print)	
or	
Name of Person Authorized to Sign (type or print)
